背景简介 Brief Background

吉颯论坛（GSSA Forum）致力于推动全球持续农业的交流与互鉴。2024 年 7 月 1-2 日，备受瞩目的首届全球可持续农业峰会(GSSA/吉颯峰会，吉颯论坛的国际版) 在新加坡盛大开幕。首届吉颯峰会汇聚了全球农业领域的精英与专家，共同就农业可持续发展展开深入探讨,标志着全球农业领域开启了一次可持续发展的历史性机遇。

The GSSA Forum is dedicated to promoting exchange and mutual learning in sustainable agriculture globally. On July 1-2, 2024, the highly anticipated inaugural Global Summit on Sustainable Agriculture (GSSA, the international version of GSSA Forum) was grandly opened in Singapore. The first GSSA Summit brought together elites and experts from the global agricultural field to conduct in-depth discussions on sustainable agricultural development, marking the beginning of a historic opportunity for sustainable development in the global agricultural sector.

首届吉颯峰会上，来自全球四十多个国家的 200 多位代表齐聚一堂,包括 20 位驻新加坡大使。其中，卢旺达最高专员、秘鲁大使、挪威大使、乌克兰大使、东帝汶大使、老挝大使和澳大利亚副最高专员做主旨发言，分享各自在可持续农业领域的探索与实践。同时，近二十位来自政商学界的精英参与了五场圆桌分论坛。首届峰会晚宴还荣幸地邀请了新加坡前外交、贸易与工业、卫生、新闻与艺术部长杨荣文阁下作为特邀嘉宾。

At the inaugural GSSA Summit, over 200 representatives from more than 40 countries gathered, including 20 ambassadors in Singapore. The High Commissioner of Rwanda, five Ambassadors from Peru, Norway, Ukraine, Timor-Leste, and Laos, and the Deputy High Commissioner of Australia delivered the keynote speeches, sharing their explorations and practices in sustainable agriculture. Nearly 20 elites from political, business, and academic sectors participated in five panel discussions. The inaugural Summit's gala dinner was honored to have His Excellency Mr. George Yeo, former Minister for Foreign Affairs, Trade & Industry, Health, and Information & Arts of Singapore, as the special guest.

中国作为农业大国，一直高度重视粮食安全问题。2024 年，全国粮食总产量达 14130 亿斤，首次迈上 1.4 万亿斤新台阶。2025 年中央一号文件继续把确保国家粮食安全摆在首要位置，持续增强重要农产品供给保障能力。中共中央、国务院印发的《加快建设农业强国规划（2024－2035 年）》中提到，强国必先强农，农强方能国强。农业强国是社会主义现代化强国的根基。让农业强国建设成果更多更公平惠及农民，也是充分体现三农可持续发展的目标。

As a major agricultural country, China has always attached great importance to food security. In 2024, the country's total grain output reached 1.413 trillion jin (706.5 million tons), surpassing the 1.4 trillion jin (700 million tons) mark for the first time. The No.1 Central Document of 2025 continued to prioritize ensuring national food security and continuously enhance the supply capacity of important agricultural products. The "Plan for Accelerating the Construction of a Strong Agricultural Nation (2024-2035)" issued by the CPC Central Committee and the State Council states that a strong nation must first have a strong agriculture, and only with strong agriculture can the nation be strong. A strong agricultural nation is the foundation of a modern socialist country. Ensuring that the fruits of building a strong agricultural nation benefit farmers more extensively and equitably is also a full reflection of the goal of sustainable development in agriculture, rural areas, and farmers.

热带特色高效农业是海南自由贸易港四大主导产业之一。2025 年 12 月 18 日，海南自由贸易港将正式启动全岛封关运作，开启高标准建设海南自由贸易港新阶段。根据《海南自由贸易港建设总体方案》，海南自由贸易港将建成全球热带农业中心。

Tropical specialty and high-efficiency agriculture is one of the four leading industries of the Hainan Free Trade Port. On December 18, 2025, the Hainan Free Trade Port will officially launch its island-wide special custom operations, marking the beginning of a new phase in its high-standard construction. According to the "Overall Plan for the Construction of Hainan Free Trade Port," the Hainan Free Trade Port aims to become a global center for tropical agriculture.

因此，2025 年吉颀论坛特地选择在中国海南岛举办，以期助力中国农业可持续发展、海南自贸港热带特色农业发展和全球热带农业中心建设。

Therefore, the GSSA Forum 2025 was specially chosen to be held on Hainan Island, China, so as to help promote sustainable development of Chinese agriculture, the development of tropical characteristic agriculture and the construction of a global tropical agriculture center in the Hainan Free Trade Port.

作为 2025 年吉颯论坛的协办单位，海南自由贸易港研究院是经海南省政府批准设立，中国（海南）改革发展研究院（简称中改院）业务主管，以服务海南自由贸易港建设的政策决策、促进海南自由贸易港高水平开放为宗旨的研究机构。作为海南自由贸易港研究院业务主管单位的中改院，成立于 1991 年 11 月 1 日，以“立足海南、面向全国、走向世界”为办院宗旨，努力建设中国改革智库。建院 34 年来，中改院始终坚持“以建言改革为己任”的责任担当，实行“小机构、大网络”的运行机制，坚持“家国情怀、执着精神”的价值追求，具有广泛国际国内影响。

As the co-host of the GSSA Forum 2025, Hainan Institute for Free Trade Port Studies (HIFTPS) was established in accordance with the approval of Hainan Provincial People's Government and is professionally supervised by China Institute for Reform and Development (CIRD). Its purpose is to serve the policy decision-making and promote high-level opening-up in Hainan Free Trade Port. CIRD was established on November 1st, 1991. With the guiding principle of "Based in Hainan, facing the whole country, and marching to the rest of the world", CIRD is dedicated to building a leading think tank on China's reform. Over the past 34 years, CIRD has always regarded "advising on reforms as its bounden duty", adhered to the operating mechanism of "small organization supported by a large network", upheld the spirit of "patriotism and perseverance", and has gained wide influence both domestically and internationally.

2025 年吉颯论坛有幸获得了海南自由贸易港研究院和中改院国际学术交流中心的大力支持，必将办出新高度、创造新辉煌！

The GSSA Forum 2025 is honored to have received strong support from the Hainan Institute for Free Trade Port Studies and the CIRD International Center for Academic Exchanges, and it will surely reach new heights and create new glories!
